

# 2022 CARDBOARD BOAT RULES

August 13th 2022

Kids Race (Age 12 and under) 1:00pm

Adult Race 2:00pm

Registration will be at Moonlite Bay between  
10:30am and noon on race day

1 member of each team must be present and registered by noon

Drivers/Paddlers meeting at 12:45pm

(on the dance floor)

## Construction:

- Unfaced cardboard - any thickness, Moonlite Bay will supply standard 2-ply cardboard and paper tape
- Waterproof *wood* glue (Elmers or Tight Bond)
- Water based caulk for seams and exposed edges
- Two or more coats of latex exterior house paint
- Water based Polyurethane finish

- Decorations that do ***NOT*** affect boat performance or water tightness

## **Not Permitted**

- Epoxies (two part materials)
- Roofing cement
- Any plastic tapes or duct tape or similar tapes
- Floatation materials of any kind (Styrofoam or foam board)
- Rubberized materials
- Finished box board (like beer cases)
- Flex Seal of any kind ;-)

The 2021 Entry fee of \$50 will get you the seven pieces of two-ply cardboard and paper tape that you need to build a “standard” 13-Foot boat. You will need to purchase at least a full gallon of glue, caulk, and finish materials. These will all be available at Crosslake Ace Hardware, or other building supply retailers. Other boat designs are

encouraged if you are adventurous, but you are on your own for construction!

No limit on number of paddlers in each boat. Life preservers are **MANDATORY** for all participants.

Course layout - A Rectangular shaped course marked by large Buoys. Start and finish will be near the Moonlite docks.

- Max of 36 boats entered - 6 heats of six boats each
- Consolation heat of six third and fourth place finishers from qualifying heat
- Championship heat for first and second place finishers from qualifying heats.

Prizes and trophies awarded
